

DIY LOCKER DOOR DECOR

Items you will need to create inexpensive locker door decor :

DAP RapidFuse All Purpose Adhesive

Mini mirrors - found at craft store

Pencil Cup - found in the dollar section at Target

Mini Cork Squares - found at the craft store

Wooden feathers - found at the craft store in the scrap booking department

Clothespins and washi tape - found at craft store

Push light - found at the hardware store for around \$5

Crystal ribbon and gems - found at craft store

Mini magnets for lighter items - found at craft store

Stronger magnets for pencil cup and push light - found at hardware store

INSTRUCTIONS:

Celebrate back-to-school with stylish locker decor for a fraction of the cost! Simply use RapidFuse All Purpose Adhesive to glue magnets to the back of mirrors, pen cups, clothespins, decorative objects for cute and practical locker door decor that can be hung without damaging the locker. To create the locker chandelier, start with an inexpensive push light (we found ours for \$5 at the hardware store) and adhere crystal ribbon and gem stones to the outside rim of the light.
